CAME CLUB **EVENT REPORT**

Title: TRADITIONAL DAY - 2022

1. Introduction

"Tradition is not the worship of ashes, but the preservation of fire." Traditional Day is organised every year at MLR Institute of Technology to welcome all the freshers from the bottom of our hearts. On 26th February, 2022, Traditional Day was conducted by the CAME CLUB members at MLR Institute of Technology. The event was all about showing the different traditions of India and was a clear example of the phrase "Unity in Diversity". All staff members and the students attended the fest in ethnic attire, which made the college premises look so colorful. The event's theme is "The Essence of Indian Traditions."

2. Objectives

The main objective of the event was to make students learn about ancient Indian culture and traditions. On the previous day, i.e., on 25th February, 2022, the CAME members had invited all the faculty members and students by performing a Flash Mob. On the day of the event, i.e., on 26th February, 2022, the programme commenced when the lamp lighting ceremony was done by our honourable chairman, Shri Marri Laxman Reddy garu. Immediately after the lamp-lighting ceremony, first-year B.tech students expressed their hidden talents. After that, the most awaited part of the event, the ramp walk, was organised and many students participated in it.
