Sub: Anti-Ragging & Disciplinary Committee Appointment for the Academic Year 2025-26– Reg.

The following staff members are appointed to the Anti-Ragging & Disciplinary Committee for the academic year 2025-26. They are directed to monitor student activities and prevent any form of teasing or ragging in the following scenarios:

- I. Before the commencement of classwork, during the lunch hour, after the completion of classes, and on college buses. If any form of ragging is observed, members should advise the students involved and report the incident to the Coordinator/Committee immediately.
- II. Implementation of Anti-Ragging Guidelines:
All members are required to enforce the following guidelines to prevent ragging within and outside the college campus:
 1. Members are tasked with preventing ragging both inside and outside the campus. Any incidents must be reported to the Principal immediately.
 2. All members and staff must comply with and enforce the Anti-Ragging Act.
 3. Anti-ragging committee members assigned to buses are responsible for preventing ragging on college buses. Bus in-charges are accountable for ensuring a “No Ragging” environment.
 4. Members must conduct frequent rounds within the college campus and its surroundings.
 5. Vigilance should be maintained over visitors and strangers on the college campus.
 6. Members should conduct awareness programs for students and provide counseling when necessary.
 7. Female students must be encouraged to inform their parents and faculty if they experience any form of ragging.
 8. In the event of ragging, the committee should convene immediately and recommend appropriate actions, as per the Prohibition of Ragging in Educational Institutions Act (Act 26 of 1997), to the relevant authorities.
 9. The Coordinator is directed to hold committee meetings regularly, discuss ongoing situations on campus, and update higher authorities as needed.
 10. The aim is to create a peaceful and ragging-free atmosphere on the college campus and its surroundings.
